

Our creative, rotating curriculum offers arts and crafts, music, field trips, parent involvement, programs, physical education, storytelling, singing, and lots of learning through play inside and outdoors in a safe and caring learning environment.

Allison Creek Preschool is a ministry of Allison Creek Presbyterian Church. We are located at the corner of Allison Creek Road and Hands Mill Hwy (Hwy 274).

Four Year Old Class:

Four Day Program
Monday - Thursday | 8:30 - 12:30pm

Our preschool provides a nurturing Christian atmosphere for your child to learn and grow. All of our age groups incorporate subject matter areas such as math, science, handwriting, music, art, and dramatic play.

We offer field trips and lots of hands-on learning through play experiences for the children. Once each week the classes participate in Chapel Time with Pastor Sam McGregor. All ages participate in a Holiday Program and an End-of-the-Year Program. Yearly we have a Spring Art Show to display select art work from each child.

At Allison Creek Preschool, we realize the importance of a connection between the school and home and strongly encourage parent involvement.

The early years of childhood are of great importance. The habits, interests, and attitudes being acquired will influence the remainder of a child's life! The task of providing the most positive, nurturing, and rewarding experiences for our children is not a task we take lightly!

Playball is an addition to our curriculum. Children participate in a weekly session of Playball. The program is age-specific according to the cognitive, emotional/social and motor development milestones of each age group. The mission of Playball is to instill life skills and build self-esteem in children through sport and movement. The high-energy low-pressure environment encourages boys and girls of all abilities to participate.

We encourage you to come see for yourself!
To schedule a visit, please contact the preschool.
